ABOUT KEVIN PARKINSON

Kevin Parkinson lives in the Division and has served as your County Councillor for the last 4 years. He is also a Borough Councillor for part of this division. At the County Council Kevin is the Cabinet member for regeneration and is instrumental in creating over 1,000 apprenticeships across the County and developing Digital Derbyshire to bring super-fast broadband to homes across every corner of Derbyshire. Before entering local politics Kevin served in the Armed Forces and in industry.

Kevin commented “It has been a privilege to serve you as your County Councillor for the last 4 years. I have done my utmost to improve life for everyone across this Division and am proud of the many achievements we have delivered in this area—supporting the Heanor Traders’ Association growing the market to over 20 stalls, the re-building of Aldercar Community Language College, £10m care-centre in Heanor and new Digital College which will bring 300 students into the town centre.

“I hope you will give me your support on May 2nd so that I can continue delivering for you.”

YOUR PRIORITIES ARE MY PRIORITIES

1. Sensible use of tax-payers money - we’ve frozen your Council Tax for 3 years and improved services.

2. Keep our roads safe and in a good state of repair - we need to maintain investment in repairs and improvements.

3. Provide excellent schools for our young people - standards are improving locally but this needs to be progressed further.

4. Help and support our elderly people giving them a voice - we need to ensure they get the care they need.

5. Encourage and support local businesses - our local small businesses are vital for growth and increasing employment.

LOCAL ISSUES, LOCAL ACTION, LOCAL CONSERVATIVES

DERBYSHIRE CONSERVATIVES ARE STANDING UP FOR LOCAL PEOPLE ACROSS OUR COUNTY

IMPROVING LOCAL SCHOOLS
Over £130 million invested in buildings

Over the last 4 years, the Conservative-run Council has supported our local schools to improve their performance - including record GCSE results at Heanor Gate last year.

We’re also investing over £14m rebuilding Aldercar Community Language College—a long overdue investment.

HELP FOR TAX-PAYERS
Council Tax frozen for 3 years

We’ve frozen our share of your Council Tax Bill for the last 3 years—and we’ll freeze it again next year if re-elected.

In Labour’s last decade in control their rises averaged over 5%—compared to 0.3% under the Conservatives. We remember it’s your money the Council’s spending—and aim to give you value for money.

HELP FOR OLDER PEOPLE
£280 million invested in state of the art care facilities

We’re setting new standards for care in the County by investing £280 million in new care facilities for older people and those with learning difficulties.

Two of these facilities will be located in Amber Valley including a £10m 32-bed residential and community centre on the Florence Shipley site in Heanor—more investment in our town!

JOBS FOR YOUNG PEOPLE
1,000 apprenticeships across Derbyshire

We’ve created 1,000 apprenticeships since 2009—and will support 1,000 more new apprenticeships in small and medium-sized businesses.

We will also help more experienced people looking for a new career.

Unemployment has fallen across the County and in Amber Valley under the Conservatives.

GENERATING INVESTMENT
Over £24m attracted over the last 4 years

As cabinet member for regeneration Kevin Parkinson has worked hard to attract investment to Heanor and Langley Mill—and achieved over £24m.

The new Heanor care centre and Digital Studio School in Heanor’s Town Centre will deliver an extra 500 customers for independent traders, and with new businesses in Langley Mill, we have seen real investment and jobs progress in this area.

HELP WITH ENERGY BILLS
Bulk buying scheme that could save you over £130 a year

We’ve organised a Big Deal—a bulk-buying scheme to bring people together to get the best energy prices. The average saving was around £130.

18,000 people across the County signed up for our bulk-buying energy-switching scheme. Check www.derbyshirebigdeals.co.uk to see if you could still sign up. Another example of real practical help for your household.
